

STEP ONE

Gather everything you'll need.

- A base wreath
- leaves and foliage
- cutters
- ribbon, string or wire
- additional decorations

STEP TWO

Start adding in the first layer made of leaves, holly, Christmas tree branches - real or artificial.

Use cutters and wire / string to trim and attach

STEP THREE

Finally add on finishing touches or you could use your own theme.

An SAFC Christmas / favourite chocolates or Marvel Superheroes are just some ideas.
