12th-16th June.

Pride Celebration –
Colour Run.

Summer Fayre –
17th July.

End of year trips.

What an amazing half term we have had...

Lots of new places visited, projects completed, time outdoors and targets met it has been a lovely start to the Spring Term!

VE Day

We had a lovely time celebrating VE Day, we enjoyed decorating the hall with our own flags, having a tea party with a selection of sandwiches and cakes and learning about the history of VE Day. A lovely celebration!

In the last Student Council Meeting, learners voted for the following actions:

- Sensory equipment
- PE Equipment
- Science Equipment

All the above have been ordered and a range of equipment has been delivered.

Students have also recently asked for more playground equipment including a new swing, a sensory garden and more art and craft supplies.

These are in progress, and we hope to action them soon!

Autism Acceptance Activities

April was Autism Acceptance Month, at MTC we all decorated T-Shirts celebrating our interests, hobbies and everything that makes us all individuals! We all went into the playground in our T-Shirts and loved looking at everybody's artwork! Here at MTC we love celebrating our differences and what makes us all unique!

North East Autism Society also held a Walk for Acceptance which saw over 300 people join for a one mile walk around Herrington Park. The event was a great success, and everyone had a great day!

Mural Design

Learners and staff are currently in the process of designing a mural for the entrance area of school. Each learner is going to get the opportunity to add to the mural and we are excited to see how this develops!

During Horse riding this week one of our learners could not ride due to a toe injury. She took it upon herself to design a lesson to be used at our sessions at Stainsby Stud.

She led the lesson and showed great leadership, and the other learner was able to follow all instructions and complete the tasks independently.

Enrichment Groups

On a Monday Afternoon we hold a range of extra-curricular clubs, this includes art club, chess club, sports and journalism. The learners love joining in with the different activities and it is amazing seeing them develop new interests and hobbies!

Football Club

This half term we have had Paul Corless join us from South Park Rangers Junior Football Club, he did some football exercises with different learners, they used some of his equipment and he has been giving them some training tips! A lovely opportunity for our learners to take part in PE and develop social skills.

Further education

Some of our learners are currently studying part time at college towards a range of qualifications. Whilst at college they also have the opportunity to access a range of different places in the community and take part in work experience. This has included Beamish, Eden Camp and York Dungeons.

They have also completed gardening work in the college gardens. We are so proud of their achievements!

Student Work

Yellow class have been working on their cookery skills this week they have been making crispy vegetable wraps! They have worked so hard using their cutlery and trying a range of healthy different vegetables! Well done Yellow Class!

We have had a lovely start to the Spring Term,
we hope you all have a lovely half term break,
and we will see you in June!

Dates for the diary:

Teddy bears picnic – 13th June 2pm – bring a teddy!

Summer Fayre – 17th July 2pm.
